Woman's Greatest Trouble.

Big Sandy, Tenn,-Mrs. Lucy Cantrell, of this place, says: "Every two weeks, I had to go to bed and stay there several days. I suffered untold misery. Nothing seemed to belp me, until I tried Cardui, the woman's tonic. Although I had been afflicted with womanly weakness for seven years, Cardui helped me more than anything else ever did. It is surely the best tonic for women on earth." Weakness is woman's greatest trouble. Cardui is woman's greatest medicine, because it overcomes that weakness and brings back strength. In the past 50 years, Cardui helped over a million women. Try it for your troubles, today .-Advertisement.

Important To Ford Owners

The Ford Motor Company at Detroit, Mich., and all its branches throughout the United States and Canada are using White Star Extra Quality Motor Oil exclusively. Their adoption of this motor lubricant was the result of exhaustive tests covering a period of three years with every known brand of oil on the market.

Correct lubrication is very important to the owner, and in view of the many conflicting and unsupported statements being made by oil manufacturers, Ford owners should accept the guidance of the Ford Motor Company and take advantage of their engineering knowledge in a practical way by using White Star Extra Quality Motor Oil exclusively.

This oil costs no more than other oils you are using and can be had in half gallon or gallon cans or in half barrels or barrels.
